

## REVIVING THE YOUTH WITHIN YOU

Corrective Skin Treatments and Therapies.

### FOTOFACIAL RF (WITH RADIO FREQUENCY TECHNOLOGY) \$2,500

(for a series of 5 treatments)

The most up-to-date impulse light combined with radio frequency to actively fight skin irregularities. This special FotoFacial RF technology can specifically target hyperpigmentation, fine lines, vascular complications (rosacea, telangiectasia), acne scars and skin texture, full body photo therapy repair, and skin tightening. A series of five treatments suggested to reach full benefit of therapy.

### ACNE PACKAGE (BLUE LIGHT) \$1,000 (for a series of 8)

Gentle Blue Light therapy kills bacteria in the skin resulting in a clear complexion.

### FACE LIFT WITHOUT SURGERY \$4,000

Combination FotoFacial RF with skin tightening therapy. Includes five sessions, three weeks apart, plus five microdermabrasion treatments.

### PHOTODYNAMIC THERAPY (LEVULAN-ALA TREATMENT) \$1,000

Removes sun damaged, pigmented skin and improves fine lines. It can also reduce pore size and oil glands to minimize acne and acne rosacea while improving acne scarring. The results compare to 3 to 5 FotoFacials.

### THERMAGE \$2,500 (1st treatment), \$1,250 (2nd treatment)

Reduces the signs of aging skin, giving you a more youthful appearance and tighter skin without surgery.

### EYES BY THERMAGE \$1,250

The only non-invasive procedure for tightening the fragile tissue around the eye area.

### VELASMOOTH – CELLULITE TREATMENT Consult required for pricing

Reduces appearance of cellulite and re-contours problem areas of the body. Great for pre- and post-operative liposuction. Completely non-invasive, non-surgical approach that has been proven to be highly effective.

### DIOLITE LASER \$250

The Diolite laser treats facial veins and broken capillaries. Dramatic results are achieved by directing a laser beam at vascular and pigmented lesions such as spider veins, age spots and freckles for noticeably clearer skin.

### LASER HAIR REMOVAL Consult required for pricing

Full body laser hair removal is available.

## FEELING BEAUTIFUL INSIDE AND OUT

Beautification Treatments.

### SCITON LASER VEIN REMOVAL \$250 per treatment (30 mins.)

For the treatment of veins, telangiectasia, rosacea and redness.

### SCITON MICRO LASER PEEL Consult required for pricing

Precisely removes the outermost layers of the skin. This procedure is individually tailored.

### OBAGI BLUE PEEL \$400

Designed to significantly improve the appearance and health of your skin. A low concentration of trichloroacetic acid (TCA) mixed with an innovative blue base effectively removes the thin surface layers of aged and damaged skin from the face or other parts of the body. This procedure allows the skin's own clarity and tightness to resurface.

### DERMAPLANING \$60

A facial skin sloughing technique used to treat deep or raised scars, wrinkles, "crow's feet", splotchy pigmentation, sun damage, and age spots by removing the outer layer of skin.

### MICRO-DERMABRASION \$125 (\$500 for series of 5)

Gentle abrading crystals combined with suction remove the dead outer layer of the skin while bringing smoother, softer skin to the surface.

### GLYCOLIC HAND TREATMENT \$15

Exfoliation and deep hydration treatment to improve skin clarity, texture and overall appearance.

### WEEKEND PEEL \$125

A layering of alpha hydroxy acids that provides smoother, tighter, brighter-looking skin for those who can't spare the time to recover from a more intense peel. Upon completion of this peel your skin will be smooth in texture and appearance.

### MICRO PEEL/AHA \$75

The mildest of peels that corrects minor problems such as rough or dry skin and sun damage. A gentle, three step exfoliation rehydrates below the skin's surface to stimulate collagen production.

### EUROPEAN FACIAL \$85

Deep cleansing facial recommended for all skin types. The procedures and techniques used are individually customized to provide the optimum benefit for the skin.

### GLYCOLIC FACIAL \$95

Combines the elements and philosophy of the European facial with the added benefit of a unique exfoliation process leaving the skin smooth and rejuvenated. The glycolic acid boosts the formation of collagen, thereby, enhancing the skin's firmness.

### ANTI FREE RADICAL FACIAL \$90

Good for enlarged pores and sun damaged skin. Includes a specialized mask treatment used to stimulate circulation.

### KIANTY FACIAL \$90

Restores very deep dehydrated skin and helps refine and restore a youthful appearance. The active ingredient is grape extract.

### BACK FACIAL \$75

Deep cleansing to improve any irregularities and enhance overall appearance of the skin.

### BEAUTY LIFTING FACIAL \$90

Good for all skin types, especially sensitive skin. Includes a specialized soft lift-off mask.

### ROSACEA FACIAL \$90

Perfect for all individuals who are experiencing microcirculation problems. It will defuse the redness and help rehydrate the skin. The process includes a hard lift-off mask.

### OXYGEN TREATMENT FACIAL \$150 for 1 hour

A uniquely designed system to cleanse, nourish and revitalize every skin cell through its revolutionary use of pure oxygen. It helps to reduce the effects of aging caused by the sun, exposure to pollutants and free radical damage.

### VITAMIN C FACIAL \$90

Vitamin C is a powerful anti-oxidant proven to defend against the damage resulting from environmental exposures that stress the skin. It provides an excellent boost to nourish and create a more youthful firmness.

### HIGH PERFORMANCE FACIAL \$35

Specialized ampoules are used with a galvanic current to provide maximum results. Ampoules come in a choice of elastin, collagen, hyaluronic acid, lightening and DNA.

### COLLAGEN FACIAL \$110

A pampering, firming and deep hydrating treatment for the face and neck that reduces the appearance of fine lines and leaves the skin glowing and radiant for a youthful, vibrant appearance.

### POST-OPERATIVE FACIAL Consult required for pricing

Purifying face and eye treatment that helps to regulate and balance the function of the skin. It is an excellent facial to follow the surgical healing process.

### EUROPEAN MINI FACIAL \$55

A great facial for a quick T-zone cleansing or targeting any problem area.

### AGE DEFYING EYE TREATMENT \$30

Effectively reduces puffiness and dark circles to brighten and revitalize the eye area with lasting results.

### COSMETIC TATTOOING Consult required for pricing

Lip liner, eye liner and brows.
